

## *Outdoor Amusement Business Association, Inc.*

### **OABA Scholarship Tuition Certificates for the 2020 AIMS Safety Seminar**

The OABA continues to sponsor and lend financial support to national safety seminars and certification programs such as AIMS and NAARSO, the Northwestern Showmen's Club, and others.

This year the OABA will be offering **four (4) FREE** individual scholarships to attend the **2020 AIMS Safety Seminar**, valued at **\$695.00** each. **One (1)** of these OABA/AIMS Scholarships has been dedicated in **Memory of June Hardin, owner of Wapello Fabrications**, who strived for quality, safety and ASTM standards throughout her career.

The seminar will be held in Galveston, Texas, with classes running **Sunday, January 12 to Friday, January 17**. These scholarship certificates cover only the cost of tuition for educational courses. As those of you who have attended this seminar in the past know, this seminar program is designed to provide educational information to all show owners, operators and maintenance personnel, and can lead to becoming AIMS certified in Operations and/or Maintenance. This tuition certificate does not include the testing/certification fees, travel or lodging expenses.

Scholarship qualifications are as follows:

- 1) The carnival or business must be a current member of the OABA.
- 2) The individual must be a first-time attendee to the AIMS Safety Seminar.

Attached is an application form to apply for an AIMS 2020 Safety Seminar Tuition Certificate. This application should be mailed or emailed to the OABA **by December 9, 2019**.

For additional information, please go to the AIMS [website](#)
